Terms and Conditions

- Participants must be City of Ames Electric Services' customers.
- Incentive will be equal to 50% of correction equipment cost but will not exceed \$100 per KVAR.
- Equipment costs do not include tax, freight, or labor.
- Special cases where the incentive exceeds that described above will be evaluated on a case-by-case basis and must be pre-approved by City of Ames Electric Services.
- Rebates are for power factor correction equipment only.
- Rebate amount will not exceed equipment cost per unit. Rebate amount will not exceed Electric Services' cost for correction.
- Equipment must be installed and operating prior to submission of application. All rebate payments are subject to inspection and verification.
- An itemized and dated invoice from the contractor must accompany the equipment application.
- Applications must be completed in full, incomplete applications will delay processing and may be returned. Rebates are based on the rebate schedule in effect on the date of dealer invoice.
- Applications must be submitted within 30 days of equipment installation unless otherwise authorized.
- Rebate checks will be issued to account holder in existing buildings unless otherwise established prior to submission of application. Checks will be issued to builder/general contractor in new buildings unless otherwise established prior to submission of application.
- City of Ames Electric Services reserves the right to verify corrected power factor.
- Rebates may be subject to income tax. Consult your tax advisor for more information.
- Rebates are subject to availability of funds.
- This program is subject to change or cancellation without notice.
- Equipment installed on or after January 1, 2008 qualifies customer for rebate.

Disclaimer

City of Ames Electric Services does not guarantee that installation and operation of power factor correction equipment will result in reduced demand or in cost savings. The manner in which a customer uses and maintains the equipment may affect potential cost savings. City of Ames Electric Services makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall City of Ames Electric Services be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. City of Ames Electric Services reserves the right to cancel or change programs at any time. City of Ames Electric Services' acceptance of an application does not guarantee payment of rebate or acceptance of financing.
