CUSTOMER AGREEMENT					
I certify that I am an electric customer of City of Ames Electric Services and I have purchased the equipment described on this rebate form and that it has been installed at the address indicated above after January 1, 2008. I have read and agree to the Terms and Conditions on the back of this form. I have included the EnergyStar® logo from my room air conditioner or programmable thermostat package with this form. All statements made in this application are correct. I understand that Ames Electric Services reserves the right to inspect and verify any equipment before issuing rebates. <u>I agree to the installation of a Prime Time Power air conditioner load control switch as a condition of accepting this rebate.</u>					
Customer Signature			Date	Donate your rebate to Project Share and help local families (tax deductible) <input type="checkbox"/> Yes <input type="checkbox"/> No	
Include model number(s) and serial number(s), copy of sales receipt, along with completed claim form and EnergyStar® logo (if required) and mail within 30 days of installation to: Ames Electric Services, Smart Energy Programs, 502 Carroll Ave., Ames, IA 50010. * To qualify for a rebate on room air conditioners and programmable thermostats the equipment must be EnergyStar® rated.					
IMPORTANT: Please read "Terms and Conditions" on the reverse side before completing this form.					
For City of Ames Use Only

Rebate Table

Equipment	Qualification	Rebate
Programmable Thermostat	EnergyStar® Rated	\$25 (maximum of three per household) Must include EnergyStar® rating proof
Room Air Conditioner	EnergyStar® Rated	\$50 (maximum of two per household) Must include EnergyStar® rating proof
Central Air Conditioners and Air Source Heat Pumps	Minimum 14 SEER < 72,000 Btu	$(((\text{Actual SEER}) - 14) \times \$100) + \$200$
Ground Source Heat Pumps	Minimum 14.1 EER < 96,000 Btu	Cooling Btuh/12,000 (round to nearest 10 th) x \$700 \$200 for Desuperheater

* Every .10 increase in Efficiency Rating increases incentive by \$10. Example: 14.5 SEER would equal \$250 rebate.

Terms and Conditions

- **A condition of this rebate is the installation of a Prime Time Power switch.** Prime Time Power is an air conditioner load control program that reduces summer-time demand for electricity and results in cost savings for the utility. Those participating in Prime Time Power receive a bill credit of \$20 per summer.
- Participant must be a City of Ames Electric Services customer.
- If you have questions about *Smart Energy* please call 239-5177.
- Qualifying units must be listed in the current ARI (Air-Conditioning and Refrigeration Institute) guide.
- Equipment must be installed prior to submission of application. All rebate payments are subject to verification.
- An itemized and dated invoice must accompany the equipment application. Applications must be completed in full, incomplete applications will delay processing and may be returned. Rebates are based on the rebate schedule in effect on the date of your invoice.
- Electric Services' customers already receiving a programmable thermostat incentive from another utility are not eligible to receive the programmable thermostat incentive.
- Applications must be submitted within 30 days of equipment installation unless otherwise authorized.
- Rebate checks will be issued to account holder in existing buildings unless otherwise established prior to submission of application.
- Checks will be issued to builder/general contractor in new buildings unless otherwise established prior to submission of application.
- Contractor incentive checks will be processed for payment upon verification of equipment.
- City of Ames Electric Services reserves the right to install a metering device on new equipment to verify energy savings.
- Rebates may be subject to income tax. Consult your tax advisor for more information.
- City of Ames Electric Services will pay incentives for multi-family residences on an individual building basis. Large multi-family complexes may be subject to an incentive cap. Multi-family residences must be approved prior to incentive application.
- Incentives paid cannot total more than the cost of qualifying equipment.
- Rebates are subject to the availability of funds.
- This program is subject to change or cancellation without notice.

Disclaimer

City of Ames Electric Services does not guarantee that installation and operation of energy efficient equipment will result in reduced usage or in cost savings. The manner in which a customer uses and maintains energy efficient equipment may affect potential cost savings. City of Ames Electric Services makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall City of Ames Electric Services be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. City of Ames Electric Services reserves the right to cancel or change programs at any time. City of Ames Electric Services' acceptance of an application does not guarantee payment of rebate or acceptance of financing.
