### ***Terms and Conditions***

- Participant must be a City of Ames Electric Services' customer.
- Rebates will not exceed equipment purchase price per unit.
- Maximum incentive cap of \$2,000 per residence per year.
- Rebates exceeding \$2,000 require pre-approval by City of Ames Electric Services.
- Rebates are for efficient interior lighting only.
- Custom Rebate: For efficient lighting systems not listed under New Equipment Information a custom rebate may be available. All custom rebates will be evaluated by City of Ames Electric Services. If the lighting system qualifies for a custom rebate City of Ames Electric Services will calculate the amount based on the watts saved and operating hours. To apply for a custom rebate please provide the previous lighting system type and wattage, the new efficient lighting system type and wattage, and the annual operating hours. Attach a separate sheet if necessary. Custom Rebate amount will not exceed 50% of equipment cost per unit.
- Equipment must be installed and operating prior to submission of claim form. All rebate payments are subject to inspection and verification.
- An itemized and dated invoice from the seller must accompany the equipment claim form.
- Applications must be completed in full, incomplete applications will delay processing and may be returned.
- Rebates are based on the rebate schedule in effect on the date of dealer invoice.
- Claim forms must be submitted within 30 days of equipment installation unless otherwise authorized.
- Rebate checks will be issued to account holder in existing residences unless otherwise established prior to submission of claim. Checks will be issued to builder/general contractor/owner in new homes unless otherwise established prior to submission of claim.
- City of Ames Electric Services reserves the right to install a metering device on new equipment to verify energy savings.
- Rebates may be subject to income tax. Consult your tax advisor for more information.
- Rebates are subject to availability of funds.
- This program is subject to change or cancellation without notice.

### **Disclaimer**

City of Ames Electric Services does not guarantee that installation and operation of energy efficient equipment will result in reduced usage or in cost savings. The manner in which a customer uses and maintains energy efficient equipment may affect potential cost savings. City of Ames Electric Services makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall City of Ames Electric Services be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. City of Ames Electric Services reserves the right to cancel or change programs at any time. City of Ames Electric Services' acceptance of an application does not guarantee payment of rebate or acceptance of financing.
