

## ARTICLE 5 USE CATEGORIES

### Sec. 29.500. PURPOSE.

The purpose of this Section is to describe the different classifications of uses found in this Ordinance and to provide a systematic basis for assignment of present and future uses to zones.

### Sec. 29.501. CLASSIFICATION OF USES.

(1) **Standards for Classification.** Uses shall be assigned to the category with the description and listing of uses most closely describing the nature of the Principal Use.

(2) **Developments with Multiple Principal Uses.** When all the Principal Uses of a development fall within one Use Category, then the development is assigned to that Use Category. When the Principal Uses of a development fall within different Use Categories, each Principal Use is classified in the applicable category and is subject to the regulations for that category.

(3) **Accessory Uses.** Unless otherwise stated in this Ordinance or otherwise indicated in the Use Tables for each zone:

(a) Accessory Uses are allowed by right in conjunction with a Principal Use;  
(b) Accessory Uses are subject to the same regulations as the Principal Use except as otherwise indicated;

(c) All uses include parking for residents, customers or employees as an Accessory Use;

(d) Examples of common Accessory Uses are listed within the Use Categories;

(e) Accessory Uses are incidental and customary to and commonly associated with the operation of the Principal Use;

i. Is clearly incidental and customary to and commonly associated with the operation of the Principal Use;

ii. Is operated and maintained under the same ownership or by lessees or concessionaires of the owner, and on the same zone lot as the Principal Use;

iii. Does not include structures or structural features inconsistent with the Principal Use;

iv. Does not include residential occupancy in conjunction with uses other than hotels, motels, tourist homes and similar transient housing accommodations, except by owners and employees employed on the premises and the immediate families of such owners and employees; and

v. Has a gross floor area that, in combination with all other uses accessory to Principal Uses located in the same structure or on the same lot, does not exceed 25% of the gross floor area utilized by all Principal Uses. This 25% floor area limitation, however, shall not apply to off-street parking.

(4) **Uses Included.** The names of uses on the following Tables are generic, and similar uses not listed in the "Uses Included" list may also be included in the Use Category if they are not included in another Use Category. Uses included are based on the common meaning of the terms and not on the name that an owner or operator might give to a use.
