1. Minutes of the March 19 meeting were approved.
2. Work continued on the report draft. It will be posted online on the city website on March 28. The group discussed the issue of Spanish translation—although a full translation is not possible, various members planned to contact Spanish speakers for assistance in sharing the report.
3. Additional suggestions were made relative to the facilitation protocol for the April 3 and 5 meetings. Those who wish to speak will be asked to sign in. The number of people wishing to speak will help determine how much time is allocated to each speaker, and speakers will be called in order of signup. Comment forms will be available, so that comments can be submitted in written form. Task force members present will be introduced. The facilitator will give a summary of the task force mission, including the fact that police department activities were excluded from the ICTF charge.
