

Notice of Construction

Public Works Department, Engineering Division
515 Clark Avenue, Ames, Iowa 50010
515-239-5160

Wellons Drive, Wellons Circle, & Harris Street

Starting Date: Wednesday, November 9th

Anticipated duration: 2 weeks (weather pending)

Action Required by Residents: Residents within the construction zone shown on the map located on the back of this notice will be asked to utilize legal on-street parking if they need use of their vehicles during the **closure of Wellons Drive (309 Wellons Drive to Harris Street), Wellons Circle, and Harris Street (4120 Harris Street to the west cul-de-sac)**. The north section of Wellons Drive and Aplin Road will be opened to vehicular traffic on Tuesday, November 8th.

Description of Work Activities: The City of Ames has contracted with Manatt's, Inc. for street improvements in your neighborhood. Manatt's has completed underground utility repairs, curb and gutter repairs, and sidewalk and driveway repairs. The contractor will commence with paving operations, which includes removing the existing pavement, grading and placing new asphalt pavement during this phase of construction.
