

Notice of Construction Clark Avenue

Lincoln Way to Union Pacific Railroad

Public Works Department
Engineering Division

515 Clark Ave.
Ames, Iowa 50010

515.239.5160

Starting Date: Weather permitting, beginning on **Monday, July 17th**.

Description of Work Activities: The City of Ames has contracted with **Construct Inc.** to do improvements in your area. This work will involve infrastructure work and total street reconstruction. You may notice utility flags as the underground utilities are located prior to construction commencing.

Anticipated Duration: Anticipated overall project duration is **6 to 8 weeks**. Construction in your vicinity may not extend for this entire period.

Action Required by Residents: No action is required at this time. Please review the anticipated phasing on back of this page. This is subject to revisions as necessary but provides an idea of how the project will be phased. All are encouraged to take note of this construction activity in the area and allow extra travel time as ***delays may occur***. As always, caution should be exercised when traveling through the construction area.

As with all paving operations, saw cutting of joints in newly poured pavement is critical and it may be disruptive beyond normal work hours. *For safety reasons, please keep children and pets away from the construction zone.*
