

Avesis Advantage Plus Vision Plan Savings Examples

With the Avesis Advantage Plus Vision Plan - Materials Only option, members can save significantly on the cost of vision care materials. The samples below will provide typical savings based on the average national retail cost for each item listed. Savings may vary depending on optical options, geographic region, or provider selection. This plan may also require voluntary monthly premiums which will offset savings. In addition, a co-pay may apply for materials (frames and spectacle lenses).

	Avesis Members Pay	Non-Avesis Members Pay \$275
Standard Progressive Lenses National Average Retail Cost \$150	\$70	Avesis Members Save... \$205
Frames National Average Retail Cost \$125	\$0	

Frame retail cost is calculated using a \$50 wholesale allowance.
Frames from participating Wal-Mart locations are covered up to a \$68 retail value.

Avesis offers a variety of tier options with each plan design. Members may choose coverage for themselves as well as eligible family members. The sample below outlines savings for optical materials for a family of three.
