

STATISTICS ON CATS & KITTENS

2005-2024

We believe every single beating heart matters regardless of age, breed, species, gender, background, behavior, health, or any other factor. They are a living creature that deserves the respect and effort it takes to save their lives when we can, and it’s something we’re incredibly proud to be successful at. Our goal is always to increase adoptions and owner reclaims and to reduce euthanasia.
