

## Common Questions

### *How secure are these boxes?*

- Very secure—only the Fire Department and Police Department have access to the Knox Box® key, and are used only in emergency situations

### *How do I get a Knox Box® for my business?*

- To get an authorized order form, please contact Fire Station # 1 at 515-239-5108

### *Where should the Knox Box® be located?*

- On the exterior of the building
- Near the business' main entry door
- At eye level, approximately 5' - 6' high

### *What should be placed in the box?*

- Exterior door keys
- Interior door keys / master keys
- Contact names and phone numbers
- Floor plans or maps to the building

### *How will my keys be secured in the box?*

- When you are prepared to place master keys in the box, the Fire Department will send a crew to secure them in the Knox Box®

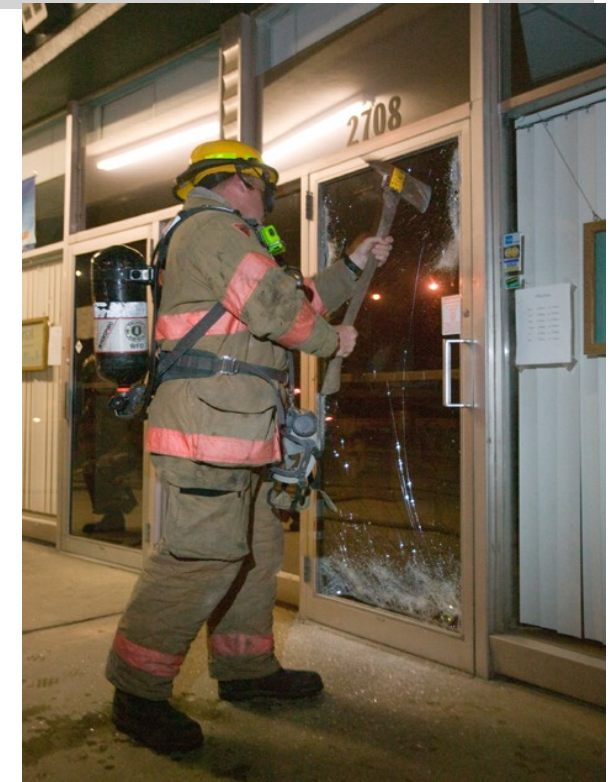

The Ames Fire Department is dedicated to providing the best possible service to the local businesses in our community.

We *highly* recommend placing a Knox Box® on each business.

For more information, please visit the Knox Box web site at [www.knoxbox.com](http://www.knoxbox.com).

## AMES FIRE DEPARTMENT

Don't Let *This* Happen To Your Business...

...use the Knox Box® Rapid Entry System

## 10 Reasons to install a Knox Box®

1. Assure immediate building entry by firefighters in the event of an emergency.
2. The Fire Department has the only key to the Knox Box®, where your master keys are securely stored.
3. Feel secure about emergency coverage when your building is left unattended.
4. Eliminate needless, costly damage from forced entry.
5. Protect inventory, equipment, and supplies from unnecessary fire, smoke, or water damage.
6. Save time and aggravation by not having to drive to your building at 2:00 AM for a false alarm.
7. Maintain building security after a fire alarm by simply re-locking the door.
8. Protect your property from costly damage with this one-time, low-cost investment.
9. Depend on the highest lock box security available.
10. Knox Box® has been chosen by 9,000 communities for the last 30 years.

# Knox Box® Rapid Entry System

## Knox Box® 3200 Series

### Hinged

The most popular Knox Box® product is the heavy-duty, high security 3200 series key box that stores keys, access cards and other small items. Optional tamper switches allow you to connect the Knox Box® to a building's alarm system, adding further security.

Dimensions: 4"H x 5"W x 3-3/4"D

Prices Starting at \$255.00

**Ames Fire Department  
1300 Burnett Avenue  
Ames, Iowa 50010**

Phone: 515-239-5108  
Fax: 515-232-9932

## Knox Box® 4400 Series

### Single Lock

The heavy-duty Knox Vault has a large capacity for storing keys, access cards, floor plans and other building entry items. Optional tamper switches allow you to connect the Knox Vault to the building's alarm system, adding even further security.

Dimensions: 7"H x 7"W x 5"D

Prices Starting at \$378.00
