NOTICE OF CONSTRUCTION

Sanitary Sewer Rehabilitation (Basin 11)

Starting Date: Weather permitting, **Thursday July 30, 2026.**

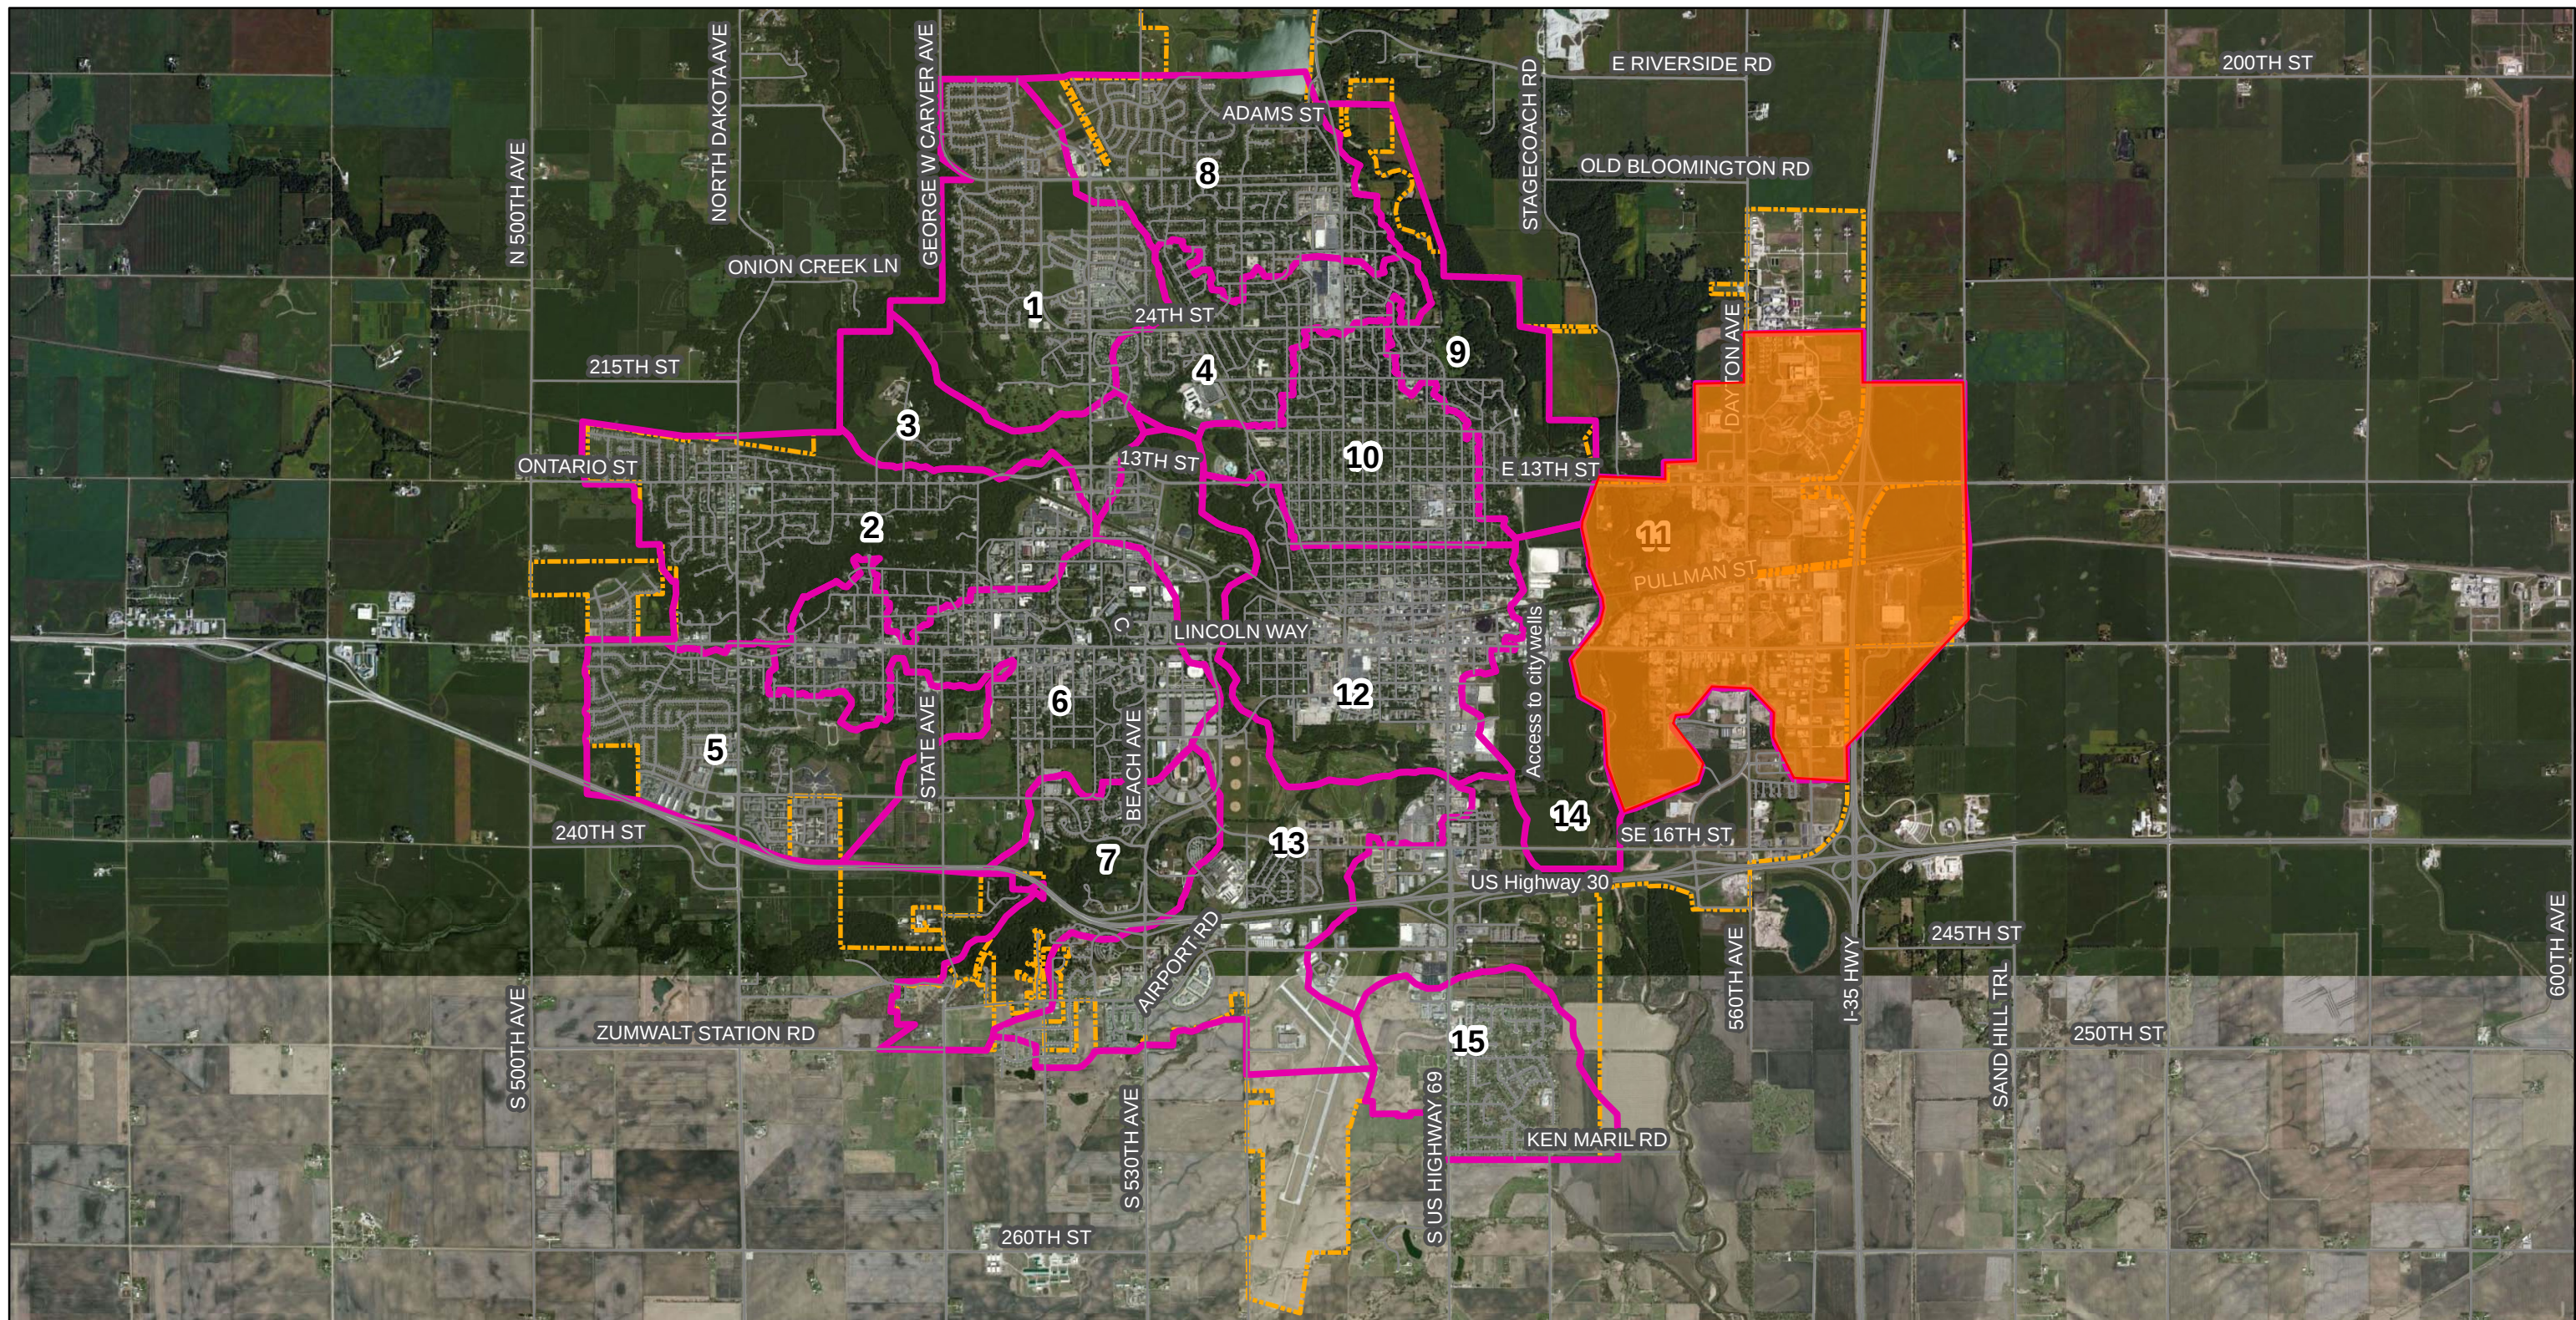

Description of Work Activities: The City of Ames has contracted with Municipal Pipe Tool, LLC. to perform repairs to the sanitary sewer system in your area. The purpose of this work is to repairs aging infrastructure and reduce the risk of sanitary sewer backups. You may notice utility flags as the underground utilities are located prior to construction commencing.

Starting Thursday July 30th, Municipal Pipe Tool and its subcontractors will begin construction in Basin 11.

Construction activities will include establishing temporary construction access routes, repairing deficient sections of sanitary sewer and rehabilitating deteriorated manholes. Further notices will be delivered as construction proceeds.

Anticipated Duration: Construction is anticipated to continue through April 30, 2027.

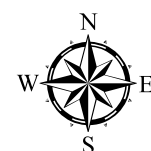

Action Required by Residents: No action is required at this time. Please review the anticipated project limit on back of this page. **This work will not prevent access to your properties.** All construction activities will be within City of Ames property and easements. As always, caution should be exercise when traveling through the construction area.
