- **Dump Bucket:** For all ages...as long as no one is aggressive (pushing, shoving, etc)
- **Small Flotation Devices:** May be used provided parent / guardian is within arms reach at all times
- **Swim Diapers:** Required at all times for children not potty trained. Swim diapers are sold at the concession stand

Splash Pool - Youth Slide:

- For children 12 years old and younger
- Children must be at least 36 inches tall
- Two (2) children maximum at one time...going side-by-side
- Ride feet first, laying on the back, or sitting up
- To protect the slide, swim wear with exposed zippers, buckles or metal are not allowed
- Goggles and masks are allowed
- Parents / guardians may catch their children at the end of the slide

50 Meter:

- Children (12 and under) must pass a deep water test before entering the 13 foot area (diving boards /drop slides) or five foot area (lap swim area)
- A Coast Guard approved life vest may be used in the middle section provided a parent / guardian is within arms reach at all times. Water wings and all other floatation devices aren't allowed.
- Rough play is not allowed (dunking someone, riding on shoulders, throwing people, holding anyone under water)
- During public swim hours: Three lane lines are dedicated for lap swimming only and the other lane for giving deep water tests or for lap swimming when tests are not occurring

Red Drop Slide:

- Riders must be at least 48 inches tall and have passed the deep water test
- Everyone must be a strong swimmer (because of the depth they will go under the water)
- Ride feet first, on back, arms crossed on chest
- To protect the slide, swim wear with exposed zippers, buckles or metal are not allowed
- Goggles or masks may not be worn on the head or neck....can be placed on the wrist. Sunglasses and glasses may not be worn down the slides.
-

1 Meter Diving Board and 3 Meter Platform:

- Children (12 and under) must pass the deep water test before using the diving board/platform
- One person at a time – must wait on the pool deck until the person has gone off the board/platform
- One bounce – no cartwheels, handstands, or back flips
- Go straight off the board and exit the water immediately (board to the left, platform to the right)
- Goggles or masks may not be worn on the head or neck...can be placed on the wrist

Basketball Hoops...for Personal Safety:

- Touching, hanging etc on the backboard, rim, net is not allowed
- Shooting the ball from the deck or throwing the ball to a person in the water is not allowed
- Jumping from the deck to shoot the ball is not allowed
- Horseplay (dunking someone, holding them under the water, etc) is not allowed
- In the event of a waiting line, play is limited to 20 minutes

Locker Rooms:

- Children 6 years of age and older should use the appropriate locker room. A family changing room is available
- For protection of belongings, coin operated lockers are available

Attendance:

- If attendance fails to reach 25 patrons by 2 PM, the facility will be closed until 5 PM. If, after opening at 5 PM, attendance fails to reach 25 patrons by 6 PM the facility will be closed for the day
- If attendance is below 25 patrons between the hours of 2 and 5 PM, the facility will be closed at 5 PM
- Staff will inform all new attendees or people that call-in that the facility may close early if attendance does not reach 25 patrons by the specified times

Weather:

- In the event of bad weather, and the facility cannot open at 11 AM or 1 PM, staff will attempt to open the facility at 5 PM. Information related to opening will be placed on the Department's "Hotline" and the Furman Aquatic Center Facebook page.
- Swimming is prohibited when lightning and/or thunder are present, including a 30-minute period after the last lightning and/ or thunder was observed by staff.
- Based on the time of day of the lighting, thunder, and size of the storm indicated by radar, the determination will be if swimmers will be asked to stay out of the water until the storm passes or close the facility for part, or the remainder of the day.
- In the case of a tornado warning, the facility will be closed
- In the case of a tornado watch, the facility may be closed
- In the case of rain, which prohibits vision of the bottom of the pool, the affected pool will be closed
