

City of Ames 2017 Photography Contest

Photographer Name: _____

Phone Number: _____

Email: _____

Photograph Title and Location: _____

Urban Stormwater and Watershed Management Category: _____

Components: Natural – Landscapes, Plants, Flowers, Weather Recreation – People, Parks, Pets, Activities
 Wildlife – Birds, Wildlife Conservation - Management Practices

Contest Terms and Conditions:

- Photographer retains copyright to the photograph. By entering the contest the photographer agrees to allow City of Ames and Iowa Stormwater Education Partnership permission to freely publish any photographs entered in the contest as promotional materials or advertisement. Some photos may require cropping, or sizing when publishing. Photographers will not receive compensation for the use of the photographs.
- Photographers give permission to use their name in connection with the photograph.
- Each person can submit up to 2 photographs. File needs to be a minimum of 4 megapixels jpeg. Allow enough information to print an 8”X10” picture with adequate detail.
- Photographs must have been taken in Ames, Iowa or South Skunk River watershed.
- Photographers are encouraged to take credit by signing, watermarking the photographs.
- Contest entries will be judged on quality, composition, creativity, and the connection to urban stormwater and watershed management components in the photograph.
- Photos must be submitted by March 21th 2017.
- The top two winning photographs in each category will be displayed at the Ames Ecofair on March 25, 2017.
- Winning Photographs will also be entered into the 2018 Iowa Water Conference Photo Contest.
